

TORiNO Indoor Totem

The TORiNO indoor totem can be found anywhere where information should be presented elegantly.

1 Version 1

Technical data:

Each side has two satined ESG - discs 750 x 500 x 6 mm that serve as information panels. These are attached to circumferential aluminium frames in anodized silver using stainless steel spacing elements (Ø 22 mm | 15 mm gap). The base plates that are fixed flush to the frames are painted in RAL 9007 silver.

height x width x depth in mm	height x width in mm	
1500 x 500 x 80	2x 750 x 500 mm	i52stele1500.500

2 Version 2

Technical data:

Technical data variation 2: The information panel made of acrylic in the format 1800 x 500 x 20 mm is mounted between a steel stand 5 mm thick. The stand in the format 200 x 200 mm (on each side) is painted in titanium grey with soft-touch paint. Two screws hold the information panel in place.
